THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI R. L. BHATIA) : (a) Yes Sir. The 7th SAARC Summit has finalised a framework Agreement on a SAARC Preferential Trading Arrangement (SAPTA). They have also adopted a consensus on eradication of poverty in South Asia.

(b) SAPTA envisages arrangements relating to tariff, parataritf, non-tariff and direct trade measures. Negotiation of tariff preferecnes will initially be on product-by-product basis. Least developed contracting States are protected by providing them wherever possible, special and more favourable treatment tinder this Arrangement which by an earlier decision of the 12th Council of Ministers, is to be made fully operational before December 1995.

The decisions relating to eradication of poverty in South Asia are based upon recommendations of the Independent South Asian Commission on Poverty Alleviation established at the Colombo Summit. The Dhaka Declaration commits member Governments to the eradication of poverty in South Asia, preferably by the year 2002 AD, through an Agenda of Action which embodies strategies of social mobilisation, decentralised agricultural development, small scale labour-intensive industrialisation and human development policies! which emphasise the rights to work and to primary education.

Decisions in SAARC are unanimous. Pakistan was therefore as much party to the above decisions as other member States.
